

Experience Sharing on IAQ Management

Most of the premises in Hong Kong are air-conditioned and on average we spend more than 70% of our time indoor such as at homes and in offices. In fact, indoor environment has an essential impact on our health, comfort and productivity.

This seminar is organized by the IAQ information Centre with a view to enhancing the awareness on IAQ, and providing practical guidance to achieve effective IAQ management.

Content

- 1 Technical Sharing: Bacteria sampling and controlling
(Guest Speaker: To Be Confirmed)
