

## List of Exhibitors:

Name of Company	Scope of work
Acoustics and Air Testing Laboratory Co. Ltd.	IAQ certification services
Airguard Industries (HK) Limited	Consultancy on IAQ improvement measures, IAQ assessments, supply of air cleaning devices for mould, biological contaminants, and odour, and eco-friendly office equipment.
ALS Technichem (HK) Pty Ltd	Laboratory analysis of gaseous pollutants, VOC and microbial organisms.
Building Solutions Limited	Consultancies on IAQ improvement measures and MVAC systems, IAQ assessments.
byoguard.com HK Limited	Consultancies on IAQ improvement measures and MVAC systems, IAQ assessments, modification services for MVAC systems, general cleaning services and supply of air cleaning devices for various pollutants and ventilation.
Castco Testing Centre Limited	IAQ certification services
DuctPro Engineering (H.K.) Ltd	Modification services for MVAC systems, ventilation duct cleaning services, supply of air cleaning devices for air pollutants and odours, and ventilation equipment.
Dyson Hong Kong Limited	Supply of air cleaning devices for air pollutants, including particulate matter, VOC, mould, biological contaminants, and odours.
et-Projekt Asia Pacific Limited	Supply of air cleaning devices for mould and odour control, and environmentally friendly office equipment.
Focus & Co., (Far East) Limited	Supply of air cleaning devices for particulate matter, VOC, mould, biological contaminants, environmentally friendly office equipment, and ventilation equipment.
Hong Kong Facility Solutions Company Limited	Consultancy services and the associated works for ventilation ducting, supply of air cleaning devices for particulate matter, VOC, radon, biological contaminants, odours, and ventilation equipment.

### Abbreviations:

IAQ – Indoor Air Quality

MVAC – Mechanical Ventilation and Air Conditioning

UV – Ultraviolet

VOC – Volatile Organic Compounds.

## List of Exhibitors:

Name of Company	Scope of work
Hong Kong Misting Limited	Consultancy services on IAQ management, IAQ improvement measures and MVAC systems, cleaning services (general, carpets, mould, ducts), and supply of air cleaning devices for gaseous pollutants, particulates, VOC, radon, biological contaminants, odours, and ventilation equipment.
Honour EnviroSafe Tech Limited	Consultancy services on IAQ improvement measures, IAQ assessments.
iPurifi Environment Company Limited	Consultancy services on IAQ improvement measures, IAQ assessments, pollutant control services, and supply of air cleaning devices for VOC and formaldehyde
Ka Shing Management Consultant Limited	Consultancy services on management and improvement strategies for IAQ, and MVAC systems, IAQ measurements and assessments.
Pureairjapan Limited	Pollutant control services utilizing photocatalytic materials, UV technology, and advanced air purification solutions.
Quality Pro Test-Consult Ltd.	Laboratory services for measuring microbial organisms and formaldehyde.
SGS HK Limited; The Lab (Asia) Ltd	IAQ measurement and assessment, laboratory services for gaseous pollutants, particulates, VOC, radon, microbes, and mould.
Vicinity Consulting Limited	Consultancy services on IAQ improvement and IAQ assessments
Welltech Instrument Company Limited	Consultancy services on IAQ management, supply of air cleaning devices for carbon dioxide.
Wisdom Innovation Strategy Limited	Cleaning services, including general cleaning, carpet cleaning, and mould remediation.

### Abbreviations:

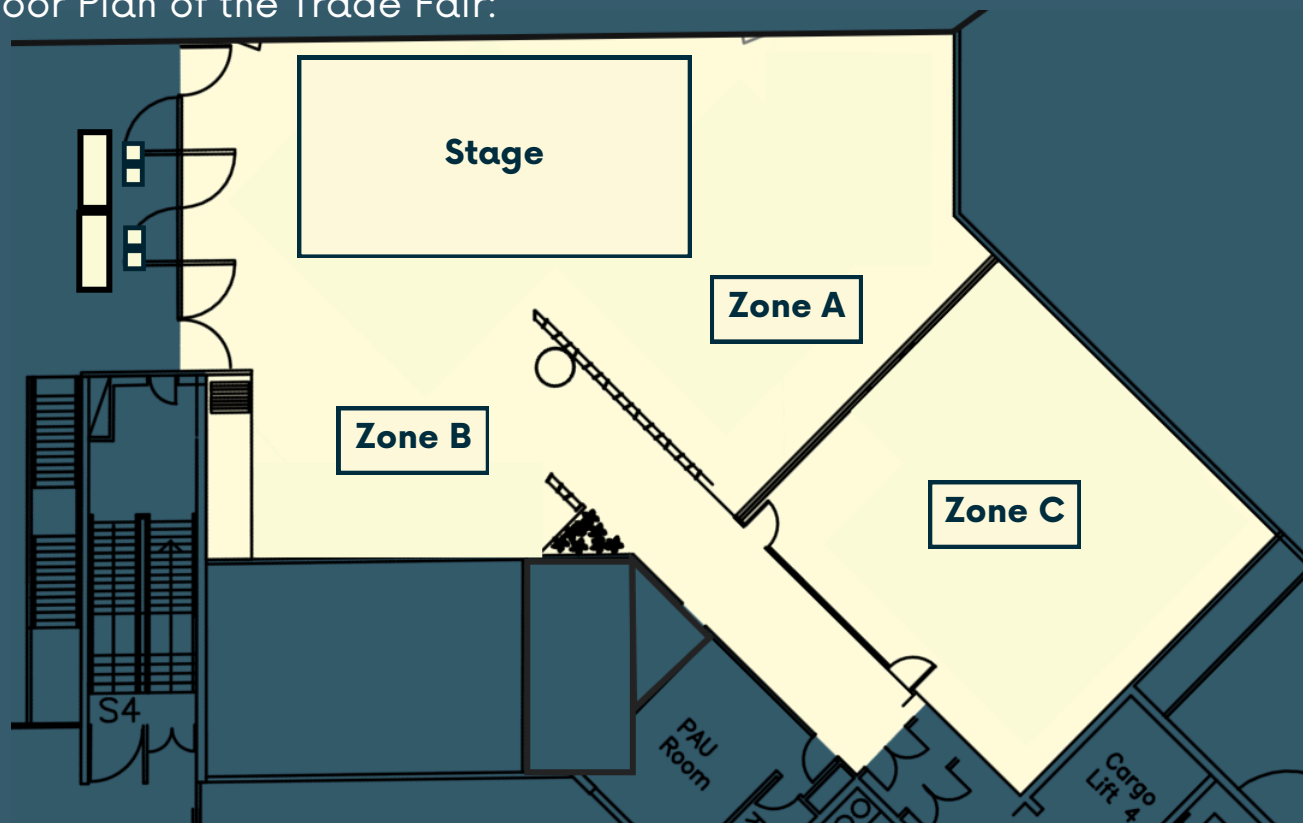

IAQ – Indoor Air Quality

MVAC – Mechanical Ventilation and Air Conditioning

UV – Ultraviolet

VOC – Volatile Organic Compounds.

## Floor Plan of the Trade Fair:

### Zone A - Consultant and Contractor:

1. Building Solutions Limited
2. byoguard.com HK Limited
3. DuctPro Engineering (H.K.) Ltd.
4. Hong Kong Facility Solutions Company Limited
5. Hong Kong Misting Limited
6. iPurifi Environment Company Limited
7. Pureairjapan Limited
8. Wisdom Innovation Strategy Limited

### Zone B - Laboratory and CIB

1. Acoustics and Air Testing Laboratory Co. Ltd.
2. ALS Technichem (HK) Pty Ltd.
3. Castco Testing Centre Limited
4. Quality Pro Test-Consult Ltd.
5. SGS HK Limited; The Lab (Asia) Ltd

### Zone C - Consultant and Supplier

1. Airguard Industries (HK) Limited
2. Dyson Hong Kong Limited
3. et-Projekt Asia Pacific Limited
4. Focus 8 Co., (Far East) Limited
5. Honour EnviroSafe Tech Limited
6. Ka Shing Management Consultant Limited
7. Vicinity Consulting Limited
8. Welltech Instrument Company Limited
